# SWIFT

SUZUKI

SWIFT

The new Suzuki Swift.

Stunning looks and a combination of fun and function.

A striking range of cars designed to suit you, whatever life you live.

The active life.

The perfect complement for the young

# 3-door

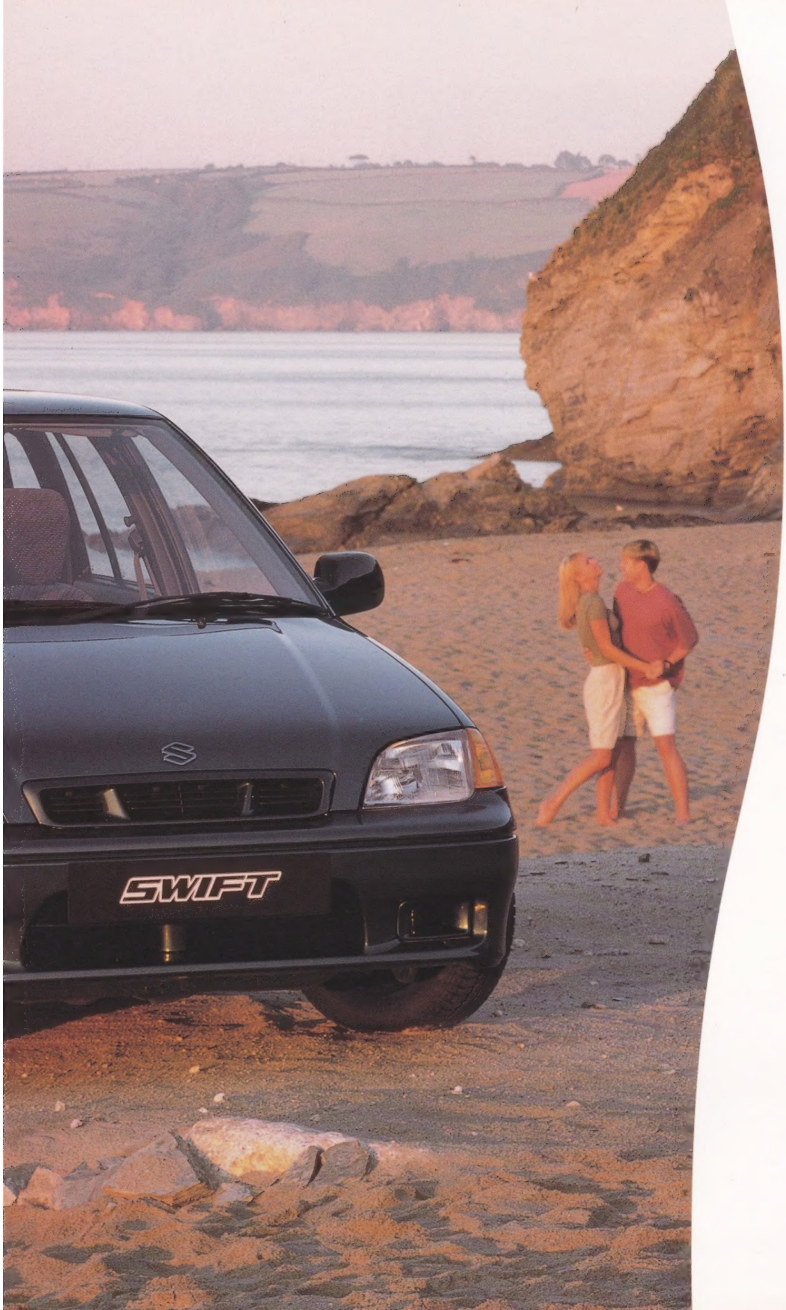
3-door GLS interior

**The Swift 3-door - outstanding economy, nimble performance and dynamic styling.**

From its aerodynamic curves to its distinctive sports style bumpers, the Swift 3-door is a thoroughly modern car. Full of energy and loaded with character, perfectly reflecting the way you live.

This is a car in which to enjoy driving, whether you are negotiating city traffic or heading away from the crowds on country roads. A car that declares its style outside with a dazzling range of body colours and sleek lines. A car that confirms a statement of style inside too with a sporty cabin and comfortable body contoured seating trimmed in co-ordinated fabric. A car whose excellent performance and exceptional fuel economy you can trust and rely on, whether you choose the 1.0 litre or 1.3 litre engine. A fact confirmed by the 1.0 GLS and its recent win of the 1996 Eco Tour of Europe, a 1,500 km trip from Bonn to Monte Carlo in which the Swift achieved an average fuel consumption figure of 65.1 mpg. This is a car that is as pleasing on the eye as it is to drive, with 5-speed manual and 3-speed automatic transmission available on selected models. With a 3-door Swift you will enjoy an active life!

## sporty and outgoing.



SWIFT

# 5-door

**The Swift 5-door - versatile storage concealed within the fluent design of a compact hatchback.**

There's no need to compromise looks for practicality when you can drive the Swift 5-door. A hatchback whose sharp and careful design has successfully combined function with style. Concealed within its trim body is ample space, flexibility and real practicality for both passengers and storage depending on your individual needs. As you would expect there is plenty of room for luggage. Combined with the spacious interior are 50/50 individually split rear seat backs, which give numerous possibilities when it comes to adapting the 5-door to the mix of passengers and luggage you need to carry. Whether you want the fuel economy of the 1.0 litre engine, or the extra power gained with the 1.3 litre, you have excellent performance all round. With the availability of the kind of extras you would expect from a top of the range model, such as central locking, electric front windows, power steering and a choice of 5 speed manual or 3 speed automatic transmissions, the Swift 5-door is exceptional value and quality. With the Suzuki Swift you will never have to sacrifice style for practicality.

5-door GL interior

## The family life.

## Sacrifice style for practicality? Never!

## Control your life.

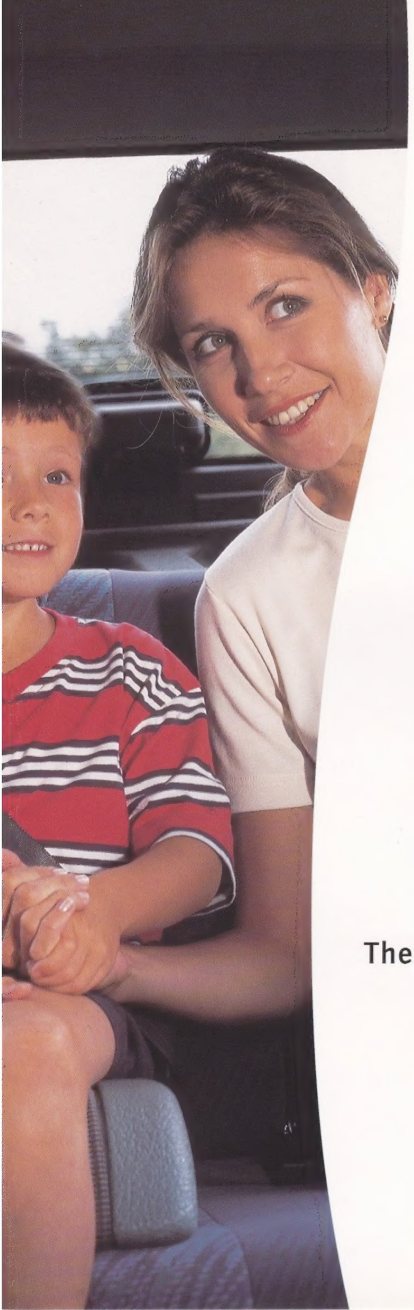
**The new Swift has easily accessible features designed to put you comfortably in command.**

One of the keys to enjoying motoring and feeling confident when you're driving is knowing you are in control. Which is why all instruments and controls in the Swift are conveniently located with an array of easy to use features close to hand. Indeed, from the comfort of your driving seat there is a host of features you can operate for the benefit of you and your passengers.

Whatever the weather and air conditions are like outside, the optimum temperature and air flow of the interior cabin is easily maintained with a fully adjustable heating and ventilation system.

Being in control also means having the facility to get in and out of tight corners. The availability of power steering (1.3 GLS/GLX) ensures a light touch when manoeuvring or parking. And a choice of either a 5-speed manual or a 3-speed automatic transmission on 5-door models gives you even greater comfort and control of the way you drive.

With a Swift you will never forget who is in the driving seat.



**Thoughtful design and engineering in the new Swift provides comfortable motorway and city driving.**

As soon as you are behind the steering wheel of the new Swift you will be impressed by its comfort. Gently contoured seats and adjustable cloth trimmed head restraints support you while the 4-wheel independent strut and coil suspension system smoothes out the road surfaces and leaves you neither shaken nor stirred.

An ergonomically designed dashboard brings convenience to your fingertips, with easy to use electric mirror controls* and a headlamp beam height adjuster. The anti-glare instrument panel ensures that you have information at a glance.

Thanks to its sheer versatility, driving the Swift is a pleasure. The generously spacious interior allows you and your passengers to relax on every journey.

With a Swift you have firm assurance of a comfortable life.

## The comfortable life.

## Firm assurance whichever Swift you choose.

Power steering (1.3 GLS/GLX)

Model shown 1.3 GLS

Split 50/50 rear seatbacks

Automatic transmission optional on 1.0/1.3 GLX

* Electric front windows (GLS/GLX)

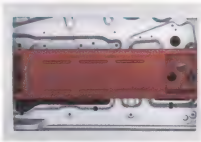
Central door locking (GLS/GLX)

* Electric door mirrors (GLS, GLX)

Life.

## With reassuring safety features, the new Swift takes care of the most precious thing of all.

High mounted rear stop light



Side impact protection beams

Engine immobiliser key

Seat belt anchorage height adjustment

1.0 litre engine

**Comprehensive safety features give the new Swift strength, composure and reliance.**

The Swift will help take care of you and your passengers with a range of built-in safety features which contribute to your peace of mind including a tough, durable body shell giving firm control and stability. Adjustable height seat belt anchorage points to safeguard your driving position. Anti-glare instrument panels which provide clear and important information at a glance. On the 5-door Swift, child passenger safety has been considered too, with child-proof rear door locks Central door locking (GLS/GLX) and an engine immobiliser will help vehicle security

Active safety measures include positive response from the front ventilated disc brakes, and a high mounted rear stop light ensures the car behind has a clear warning. Passive safety features include side impact protection beams combined with front and rear crumple zones, meaning that the effect of any impacts will be helped through absorption.

Naturally, we hope you won't have to test any of these features but you can rest assured in the knowledge of their presence and reliability.

The new Suzuki Swift - the car that respects the value you put on your life.

# accessories

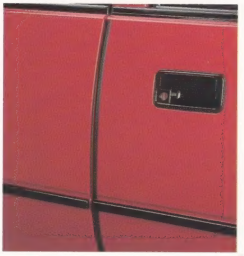
Suzuki vehicles are designed and manufactured to meet exacting standards and so too are Suzuki Exclusive Accessories.

There is a range of accessories available for each model, all designed to enhance the look, feel or practicality of your Suzuki yet further. From spoilers to sports style alloy wheels, from air-conditioning to carpet mat sets.

For peace of mind security there is also a wide range of alarm accessories from which to choose.

Suzuki sound system

rpet mat set



Door edge moulding set

Alloy wheel with locking wheel nut and Suzuki 'S' dust valve cap.

Sill guard set

# The world of Suzuki

Founded in Japan in 1920 Suzuki has grown to become the 3rd largest motorcycle manufacturer and the 12th largest motor manufacturer in the world today, producing over 1 million units a year. Operating in 170 countries, Suzuki produces an exciting range of motorcycles, automobiles, outboard motors and power products.

World champions like Barry Sheene and Kevin Schwantz have earned their stardom through the high performance sports bikes of Suzuki.

If you've ever wondered what it is that makes the Tigershark fly across the water at such a rate of knots, wonder no more. On close inspection, you'll find that Suzuki manufactures the engines to power the full range of Tigershark personal watercraft. Not only that but they also make some awesome outboard motors, including a V6 that pumps out over 220 bhp. On the subject of pumps, Suzuki makes a range of waterpumps too, and generators.

The Vitara range continues to grow with more powerful engines and a new intercooled Turbo Diesel. The new Baleno range is attracting great interest in it's sector. Also to be introduced into the UK market is the new Alto - a small car which is big in character.

With the Baleno, Alto, the highly successful Swift and SuperCarry van, the Suzuki vehicle range is now stronger than ever.

Whatever life you lead, Suzuki products let you enjoy it to the full.

### SHIELD
Suzuki Shield - a 3 year new vehicle warranty and a 6 year perforation warranty.

### SENTINEL
Suzuki Sentinel - 24 hour roadside assistance, recovery and many other associated services for 12 months.

### FINANCE
Suzuki has a wide range of tailor made finance plans that are available through Suzuki Financial Services Limited.

### INSURANCE
A unique insurance programme created specifically for Suzuki owners, offering extremely competitive rates and many valuable benefits.
